Co-Lin — 1915-16 to 1970-71

April 20, 1915 — R. L. Landis was elected principal
1918 — W. I. Thames served as superintendent until 1920
1920-1922 — T. J. Cathey was superintendent
July 1, 1922 — L. Russell Ellzey elected superintendent of agricultural high school until 1928 when the junior college was opened.

Ninety-one students enrolled for the first year of college in 1928-29. Dr. J. M. Ewing, now president of Delta State College, became president of Co-Lin in March, 1932, replacing Ellzey who resigned. Ewing served until 1956, with the exception of 1943-45 when Willie H. Smith was acting president.

F. M. Fortenberry, elected president in 1956, served until 1968 when he became director of the junior colleges in the state, a position he held until his death in the fall of 1970.

Billy Bass Thames became president of Copiah-Lincoln in January, 1968, the first alumnus to fill this position.

President Thames Works for Co-Lin

Whether he's talking to a student, parent, a contractor for a new building, or talking with members of the faculty, President Billy B. Thames works tirelessly for the betterment of Copiah-Lincoln. He's never too busy to lend a helping hand, whether it's grabbing a plate in the cafeteria to help serve in a rush, or personally cleaning up in the dorm, or meeting with alumni officers.

Born and reared in Lawrence County, President Thames graduated from Monticello High School. He is an honor graduate of Copiah-Lincoln and was selected to the school's first Hall of Fame. He obtained his bachelor of science degree in 1958 from the University of Southern Mississippi and a master of science degree in 1959 from the same institution. Since that time, Mr. Thames has taken some 40 hours of graduate work in guidance and school administration.

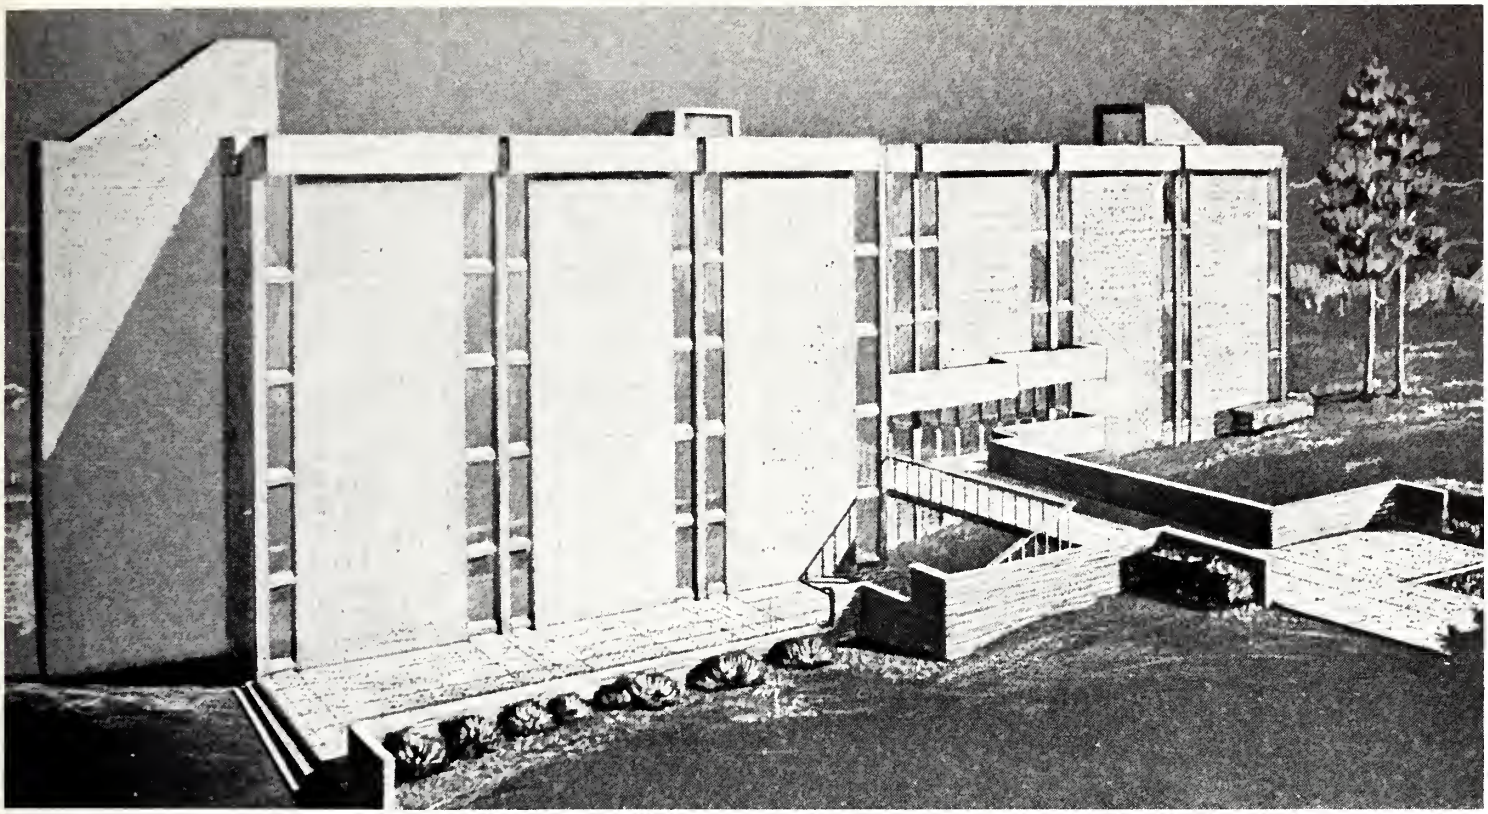
Mr. Thames has been associated with the Jackson Public Schools, the Attala County Schools, and Belhaven College, Jackson, Mississippi.

He is a member of the MEA, CLEA, NEA, and Phi Delta Kappa, national education fraternity. He is on the Board of Directors, Bank of Wesson; Choctaw District Leadership Training Chairman, Boy Scouts of America; and Sunday School Department teacher and Deacon, Wesson Baptist Church. President Thames is a member of the Wesson Jaycees, the Lion's Club, the Kiwanis Club, and Red Red Rose.

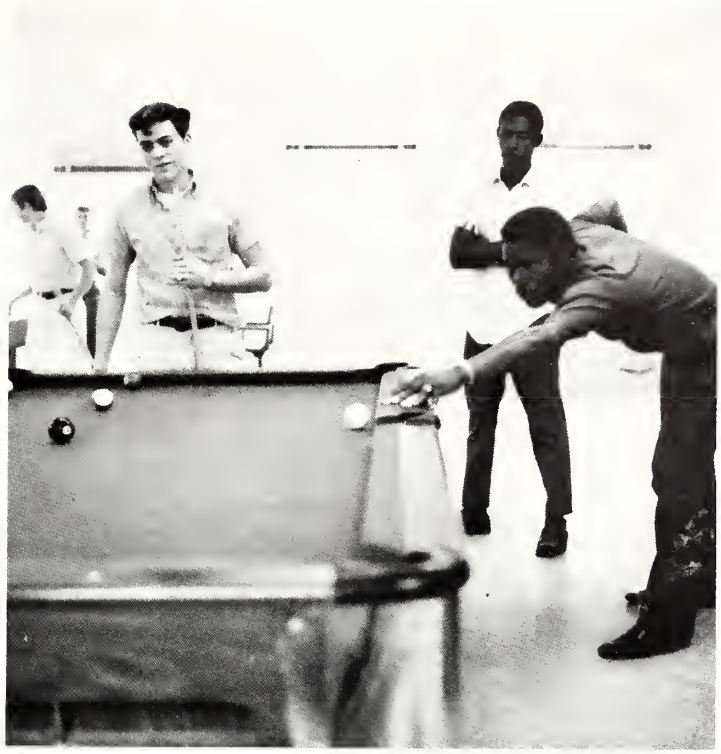
He and Mrs. Thames, the former Anne Allen, are the parents of three children, Rachel Lynn, Rebecca Leigh, and William Bass, Jr.

New Dorm Replaces Stevens Hall

Stevens Hall, built for the opening session in 1915-16, is being replaced by a five story dormitory, pictured on the opposite page. The dorm was destroyed by fire in September, 1922, and survived a tornado in the same year. A picture taken in the early 1930's of the lobby and one of a "model" bedroom in the dorm, also taken some forty years ago, are on page seven. The dormitory is named for Miss Lula Stevens, who served as Dean of Women at Copiah-Lincoln for forty years.



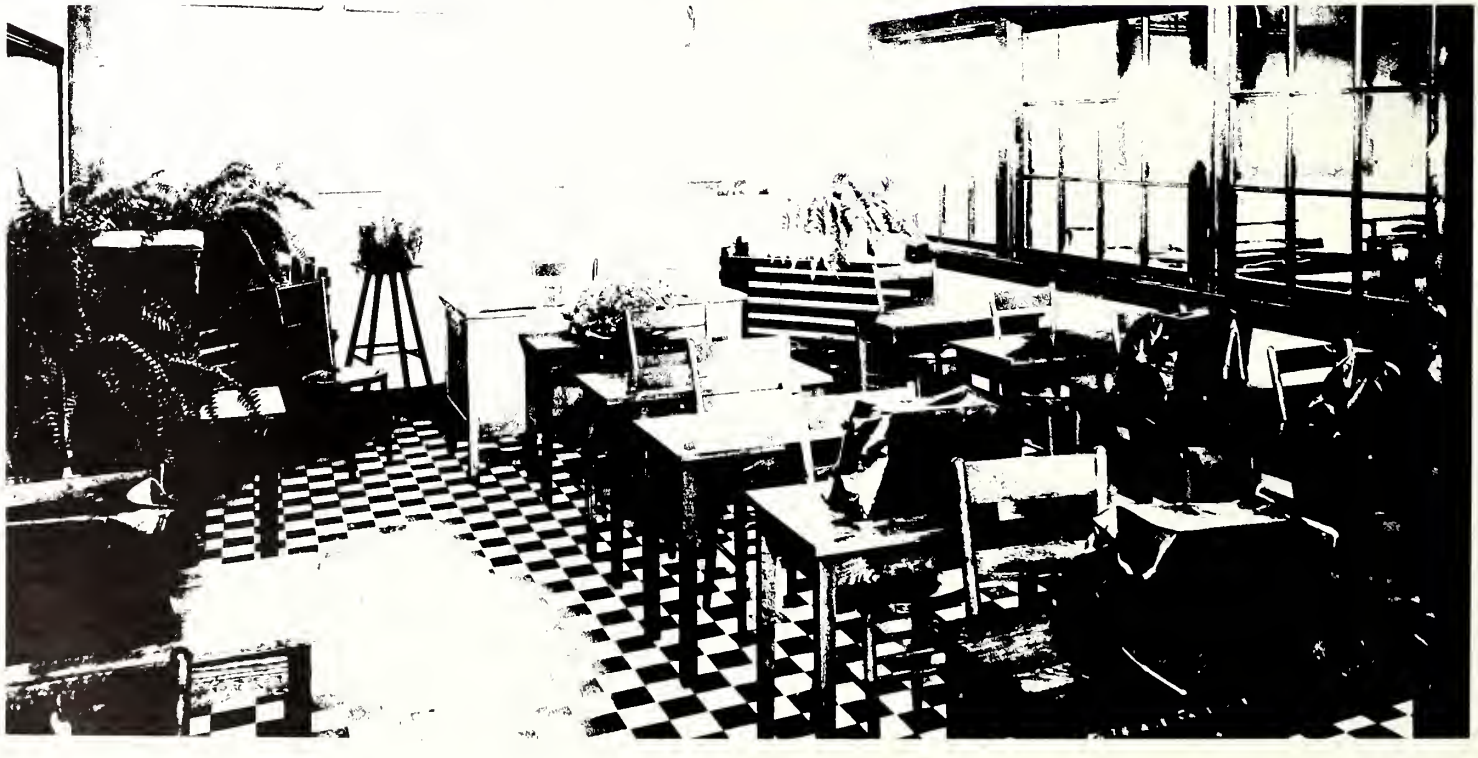
Fashions, Recreation Progress A



Fashions change . . . from bobby socks to the latest "mod" clothing . . . Co-Lin students keep abreast with the "go" in fashions.

Gone are the days of leap frog on front campus as Play Day in 1950 reveals. Pool, ping pong, dancing, golf and intramural football, softball, ping pong, tennis, and volleyball help to entertain the student. Skating is also available. Co-Lin offers the unusual — a class in karate.

In 55 years, Co-Lin, you've come a long way . . . Girls Reserve Hut in the 1930's stood where the modern student bookstore and grill now are located.



Classes Change Over Years —

From ten courses offered in 1928 to 267 taught in 1970-71, Copiah-Lincoln students may choose a wide variety of studies. Nursing, cosmetology, music, heavy equipment, journalism, art, and drama are a few courses offered. Mrs. Adah Case, R.N., nurses aid instructor, and Burlian Walker pose with "patient" at off-campus class in Meadville. The new auto-tutorial units expand the biology laboratory as another first in Mississippi.

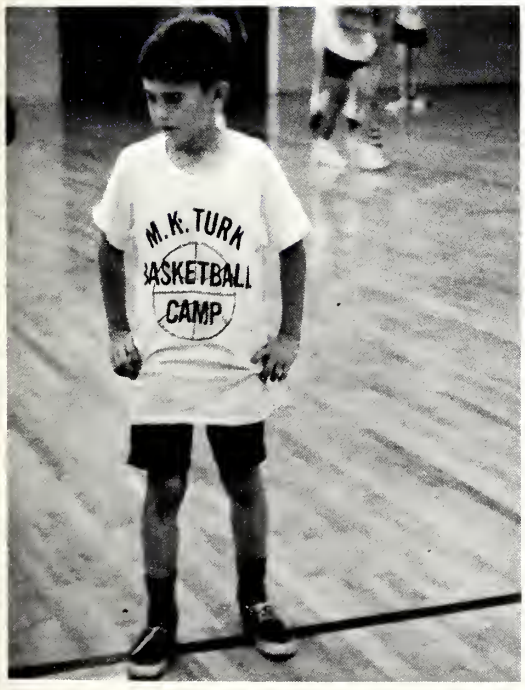
Co-Lin Wins Seven State Football Cham

Copiah-Lincoln, under the coaching of "Hook" Stone, won seven state championships between 1930-1940. The 1938 TRILLIUM says that the Wolves beat Millsaps 25-0; Jones 26-6; Pearl River 14-0; a homecoming victory over the Moorhead Trojans 38-0. For the state title, the Wolves "licked the Bulldogs (Holmes) 20-0 before a crowd of 5,000. There was more enthusiasm over this ball game than any other game played in the state of Mississippi."

Other victories were over East Central 6-0; and the Summit Pilots 25-0. The only defeat of the season came at the hands of L.S.U. Junior Collegé in Monroe 33-0. To end the season, "the Wolves traveled up to Hinds Junior College . . . The Wolfpack put on the greatest "razzle dazzle" exhibition of the entire year by sweeping the Eagles 53-0."

ionships in 1930's



Co-Lin's late 1920's baseball team (with sweetheart?), along with 1949-50 girls and boys basketball teams, adds to the early sports history of the college. Today intercollegiate football, baseball, basketball, tennis, track, and golf are offered.

Co-Lin's Colettes, known nationally, have performed in Macy's Thanksgiving Parade in New York City, appearing on NBC and CBS national television; in parades in Dallas and twice in Louisville, Kentucky; the Cherry Blossom Festival in Washington, D. C.; in New Orleans; and several times in the Cotton Carnival in Memphis. The Colettes, having been organized in 1930, are Mississippi's Original Dancing Coeds. They have performed at every major event in the state, and are in constant demand. More than 60 coeds tried out this year, with Judy Crum being chosen Head Colette. Colettes in 1950 are pictured below, along with scenes from Macy's and the Cotton Carnival on the opposite page. Betty Blair Lusk (Boutwell), Head Colette, 1959, poses for our memory book, as do the 1938 Colettes.

In Memory of Glenda Hedgepeth . . .

Death came in early December to one of Copiah-Lincoln's most popular and outstanding campus coeds. Glenda Hedgepeth was serving her second year as president of her dormitory. She was class editor of the 1971 TRILLIUM, an officer of the Baptist Student Union, and a member of the college choir and the Student Christian Association.

Glenda was a campus leader. She had served as a committee chairman for homecoming, had attended SCAM as a representative from Co-Lin, and was never too busy to help a club or sponsor with a project.

The 19 year old sophomore was the daughter of Mr. and Mrs. Lamar Hedgepeth of Route 1, Monticello. Glenda was an accounting major.

Glenda Hedgepeth was a friend. Her smile which she never lost, win or lose, had won for her the love and respect of her classmates and of the faculty. Her dependability, her leadership, her thoughtfulness and her devotion to God had placed her as one of the top campus leaders.

In high school at Monticello, she was president of the Y-Teens, senior class yearbook editor, senior class secretary, and member of the Beta Club and of the choir.

Heaven gives its favorites — early death.

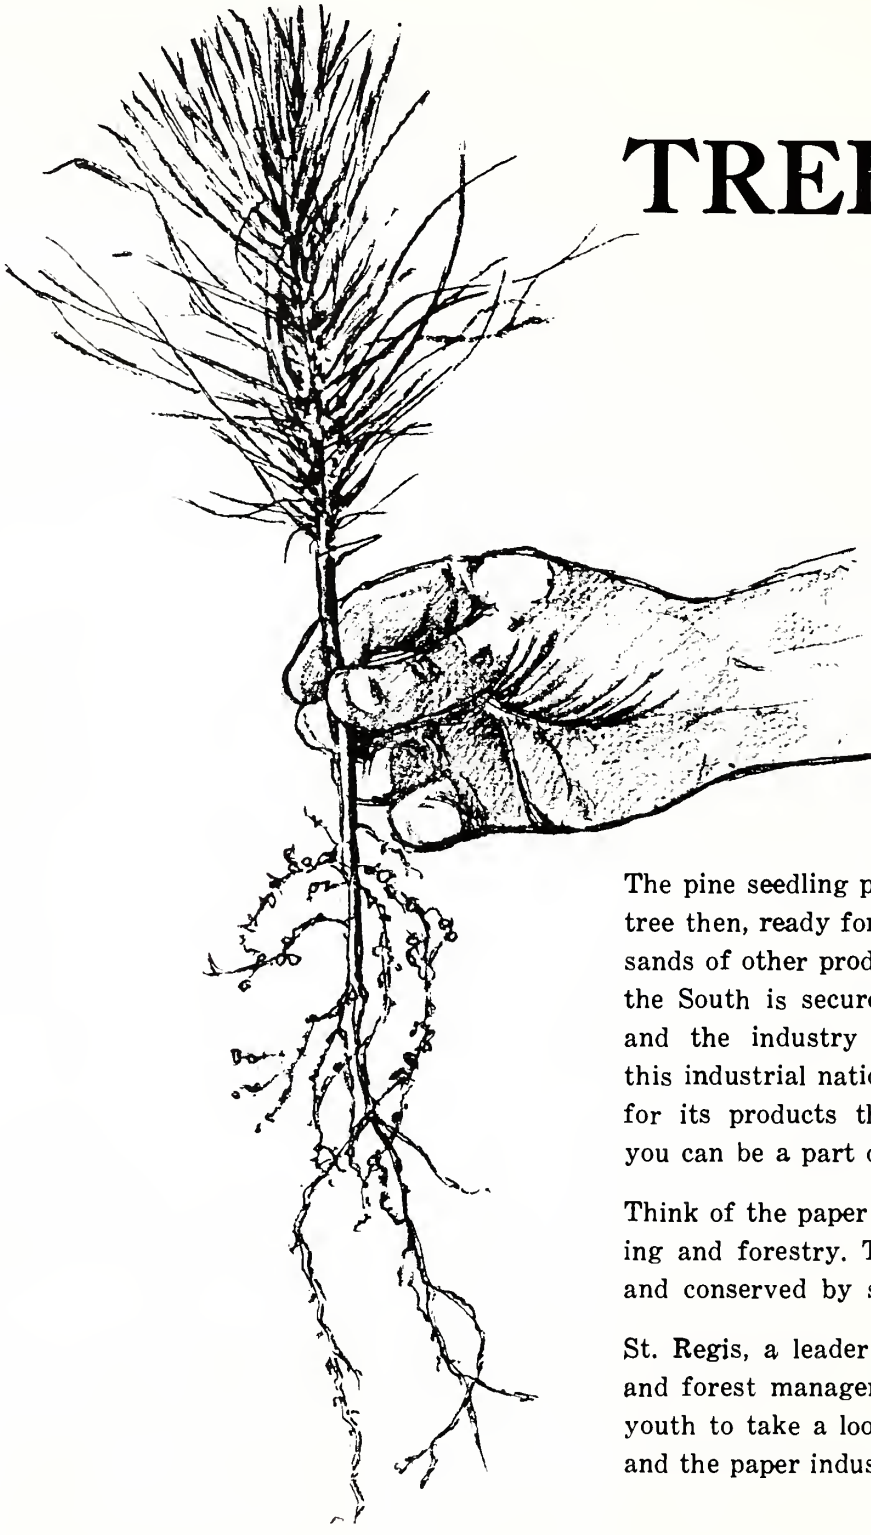
ADVERTISING AND STUDENT LIFE

With appreciation the 1971 TRILLIUM Staff thanks the advertisers of this year's book. Without the financial help of these advertisers, we could not support the yearbook.



TREES...

and Your Future

Twenty years from today will the career you choose continue to offer you growth and challenge?

The pine seedling planted today will be a mature tree then, ready for making into paper and thousands of other products made from trees. Indeed, the South is secured by its fast growing forest and the industry it supports. No industry in this industrial nation has a more certain demand for its products than the forest industry, and you can be a part of it.

Think of the paper business. Think of tree farming and forestry. Timber is a crop, perpetuated and conserved by skilled forestry practices.

St. Regis, a leader in Southern industrialization and forest management, invites every ambitious youth to take a look at forestry as a profession, and the paper industry as a challenging career.
